

# Considered a job in EMS?

Most people live their entire lives and never know if they made a difference, we change lives every-day. Medic-1 Ambulance Service, based in San Dimas, is currently looking for applicants who want to make a difference in their community. Medic-1 began its existence in a garage in San Dimas in the winter of 2001, with special attention to the core values of service, reliability and integrity. Today, Medic-1 serves the San Gabriel and Pomona Valleys with a passion to help others.

Employees at Medic-1 enjoy one of the best working environments in the industry. We compensate employees in many ways including: pay, life and health benefits, on-site continuing education, an annual education and/or equipment allowance, uniforms, and pagers.

**If you would like more information about Medic-1 or to apply for a position, please call our Staffing Office to have your questions answered or schedule an interview (626) 358-8500.**

## TRANSPORTATION COORDINATOR

This position is at the heart of everything that we do at Medic-1. Taking calls from those who need help and then determining who responds, this is where the action is. Strong customer service skills are essential for the successful candidate. If you understand what it means to "smile through the phone" then you might be cut out for the job. Other requirements are:

- Ability to type 20+ words per minute
- Computer literacy (MS Office, Acrobat, emailing, etc.)
- Management and Multi-tasking are a must
- Strong telephone skills

## WHEELCHAIR VAN OPERATOR

The Van Operator's role is to provide safe and efficient transportation to wheelchair van clients as scheduled. This includes daily equipment inspections to insure that the van is ready for operation, data entry, and clerical functions. Other requirements are:

- Valid California driver's license
- Valid CPR and First Aid certification (*not required at time of application*)
- Poses a general knowledge of Los Angeles County as well as navigate using the

## EMERGENCY MEDICAL TECHNICIANS

The frontline of our service, our EMTs are professionals in every respect. Besides having top notch medical skills, candidates must have strong written and verbal communication skills. Other requirements are:

- Valid EMT-basic Certification (*Los Angeles County preferred*)
- Valid CPR card (Red Cross or American Heart)
- Driver's must also have-*
- DMV printout (H6-Long)
- 21 years of age with good driving record

*Whether you are looking for your first job or just a job change, consider a future that rewards you with more than money.*
